- Led the team in this group where we developed a website for an universal actor of India cinema which was designed to increase the hype among youngsters.

Skills

Objected Oriented Programming

Java

ReactJS

Data Structures & Algorithms

My SQL

Python

Java Script

R Language

PHP

HTML

CSS

Node JS

Education

University Of Westminster | 2022 - Present | B Eng (Hons) Software Engineering

- Affiliated with University of Westminster, London.

Royal Institute International School | 2012-2020

- Successfully Passed Cambridge GCE AS & A Level examination - 2020
- Successfully Passed Cambridge GCE O/L - 2018

EXTRA-CURRICULAR AND HOBBIES

- Participated in CODESPRINT by IEEE & Imagine cup by Microsoft (2023)
- Was the leader of web designing group project (2022)
- Keen to explore data science
- Passionate about Gaming and Editing
